

REBORN

LOVE BEACH, BAHAMAS.

WHO.PETER

The reborn of the slave man. The Bahamas was one of the first Caribbean islands to ban slavery, even before the United States.

This is the modern man reborn from water to recognize the island as his.

The Bahamas also became free and sovereign after 325 years of being under the British rule in July of 1973.

Work made with Fuji XT3 camera
Lenses used in photoshoot were Fuji 23mm WR
and Tokina 28mm f2 pentax k mount.

The gestating state of mind of freedom.

The evolution from water to earth.

The strength amongst the struggle.

The strength amongst the struggle.

The awakening of consciousness

Landscaping

Free to determine.
Dominant of himself, conscious of land, sensitive and exposed.
